

The Parent Business Pages

Aloha Parents,

So many of our 'ohana work hard to give their keiki a bright future, and an excellent education here at our school.

We would like to give back by supporting our parent businesses.

So coming soon, we are creating a webpage on the school website that features our parent businesses.

This page will be set up similar to the yellow pages. You will be able to look up a type of business and see its name, phone number, website (if available) and description.

So if you own, operate or simply would like to support the place where you work, please fill out the attached form and send it back to the office.

My Name _____

My Sacred Hearts child(ren)'s name(s) _____

The name of my business _____

The type of business (example: caterer) _____

A brief description of the business: _____

Business phone number: _____

Business website (if applicable) _____

Business address _____

Phone number where you can be reached _____

***Please note that Sacred Hearts School does NOT endorse any business or company**
